

We've started a support group - more like of a workshop - where we "unleash our creativity." Based on Taoism's interpretation of the Golden Rule, (treat your neighbour's gain as your gain; your neighbour's loss as your loss), we will create an environment of INTERDEPENDENCE where we help each other with his/her creativity.

Just a few ideas: Play a musical instrument? How about forming a musical combo and entertain in nursing homes and hospitals? Is writing your thing? How about self publishing? Or upload your creation onto the internet? How about painting or artwork? We could showcase your work at our very own exhibit. Who knows! We may even make a few dollars.

If interested, please contact the organizer/facilitator Ken Munro at (416) 481 - 4076 or e-mail him at [munrokb2003@yahoo.com](mailto:munrokb2003@yahoo.com).

We will get together and see what talents are waiting to be developed among us.
